

KATYA HASSETT

Graphic Design | UI/UX | Branding

katyahassett@gmail.com | (617) 599-0911 | www.katyahassett.com

PROFILE

Graphic designer specializing in creating user-centered digital and physical products that blend aesthetics with usability. Four years experience turning ideas into prototypes and polished designs, known for precision, creativity, problem-solving, and effective collaboration.

EDUCATION

Portland State University — BFA in Graphic Design, 2025

- Dean's List (4 terms)

University of California, Berkeley — UI/UX Design Certificate, 2021

- Completed an intensive 24 week program focused on user-centered design principles, UX research, wireframing, prototyping, UI design, and usability testing

EXPERIENCE

UI/UX Designer (Contract)

Enclear Therapies Inc., July 2024 – Present

- Design the high fidelity prototype of user interface for pole mounted medical device
- Translate complex medical functions into intuitive workflows by creating wireframes, user flows, and interactive prototypes in Figma
- Collaborated with engineers to ensure seamless integration between hardware and software

Screenprinter

Three Twins Production, August 2025 – Present

- Produce accurate, high-quality prints using automatic M&R screen printing presses with precise registration for consistent, high-quality prints
- Proofread and prepare artwork to ensure accuracy and adherence to client specifications

Design Intern

GNDRSHREDR, October 2024 – January 2025

- Designed and published brand-aligned content for social media platforms
- Built a custom backdrop for the Fall/Winter campaign, applying visual hierarchy and brand guidelines

Web Designer

AOM Trading, June 2023 – April 2024

- Led a full site rebrand, designing responsive web pages and interactive layouts using Figma, HTML, CSS, and PHP
- Collaborated with developers to improve Zoom integration and streamline the customer experience

Graphic Designer

John Hanratty Campaign, August 2023 – November 2023

- Designed a city council campaign logo and applied it across yard signs, business cards, and palm cards that were then printed and distributed across the city

Assistant Team Lead

Americorps NCCC, June 2019 – March 2020

- Managed and coordinated a team of 10–12 members through three service projects in disaster relief, education, and environmental restoration

SKILLS

Adobe Creative Suite (Ps, Ai, Id), Figma, After Effects, Branding, UI/UX, Typography, Layout, Responsive Design, HTML/CSS, WordPress, Illustration, Motion Graphics
