

KATYA HASSETT

Graphic Designer | UI/UX | Branding

Cambridge, MA - Open to Relocation

katyahassett@gmail.com | (617) 599-0911 | www.katyahassett.com

PROFILE

Graphic & UX Designer experienced in creating user-centered digital and physical products that blend aesthetics with usability. Expert in turning ideas into prototypes and polished designs using Figma, FigJam, Miro, Adobe Creative Suite, and HTML/CSS. Known for precision, problem-solving, and effective collaboration with cross-functional teams, applying UX best practices and iterating based on user feedback to deliver high-impact results.

EDUCATION

Portland State University — BFA in Graphic Design, 2025

- Major GPA: 3.78, Dean's List (4 terms)

University of California, Berkeley — UI/UX Design Certificate, 2021

- Built fully functional mobile app prototypes from user research through high-fidelity design, applying UX best practices in Figma.

EXPERIENCE

Three Twins Productions

Screen Printer, August 2025 – Present

- Operate manual and automatic presses with precise registration for consistent, high-quality prints
- Conduct thorough quality control checks to ensure designs meet client requirements and production standards
- Collaborate cross-functionally to meet tight deadlines and adapt to changing priorities

GNDRSHREDR

Creative Intern, October 2024 – January 2025

- Designed and published brand-aligned content for social media platforms to boost engagement
- Built a custom backdrop for the Fall/Winter campaign, applying visual hierarchy and brand guidelines

AOM Trading

Web Designer, June 2023 – April 2024

- Designed responsive web pages and interactive layouts using Figma, HTML, CSS, and PHP
- Created wireframes and prototypes to communicate and test design ideas with stakeholders
- Collaborated with developers to improve Zoom integration and streamline the customer experience

Cambridge City Council

Graphic Designer, August 2023 – November 2023

- Designed a modern campaign logo and applied it across yard signs, business cards, and palm cards
- Created visually compelling layouts that balanced branding with legibility and accessibility for diverse audiences

AmeriCorps NCCC

June 2019 - March 2020

- Managed and coordinated a team of 10–12 members through four service projects in disaster relief, education, and environmental restoration
